

BMW 328 - EDITION 100 ANS LE MANS A HISTORIC REVIVAL.

Be ready to own a piece of automotive history.

We are delighted to present the sale of a unique item: an exceptional replica of the legendary BMW 328, as it could be during its early races at Le Mans.

A historical revival: This BMW 328, a true icon of motorsport, made a lasting impression during its debut at Le Mans a century ago.

To celebrate this iconic anniversary, Collect Car has undertaken meticulous work to recreate this legendary car.

We have made it a point of honor to respect the authenticity of every aspect, from the engine to the bodywork.

AUTOMOTIVE HISTORY

ONE-OF-A-KIND SPECIMEN

It is important to emphasize that this BMW 328 is the only numbered 1/1 specimen of its category available for sale.

You will therefore have the exclusive opportunity to own a priceless collectible that will delight discerning collectors and enthusiasts of prestigious cars.

PERFORMANCE AND ELEGANCE

Powered by a 1000W electric motor, this miniature BMW 328 sends power to the rear wheels via a differential.

The performance is adjusted to provide a safe and exciting driving experience, while also being suitable for younger drivers.
