

ONE FAMILY, ONE PASSION

Sébastien builds a unique electric car for his son Léo, starting from a go-kart chassis.

In 2022, an extraordinary opportunity arises: to revive the BMW 328 Junior in an electric version, true to the original, at a 6/10th scale.

Collect Car 84 is a family adventure, driven by a shared passion for exceptional miniature cars.

BMW 328 Junior Electric

- 100% electric, 1800W motor, 4-hour range.
- Premium leather upholstery, composite body.
- Brushed aluminum dashboard, authentic detailing.
- Hydraulic disc brakes, adjustable pedal set.
- Immersive Vroombox sound technology.

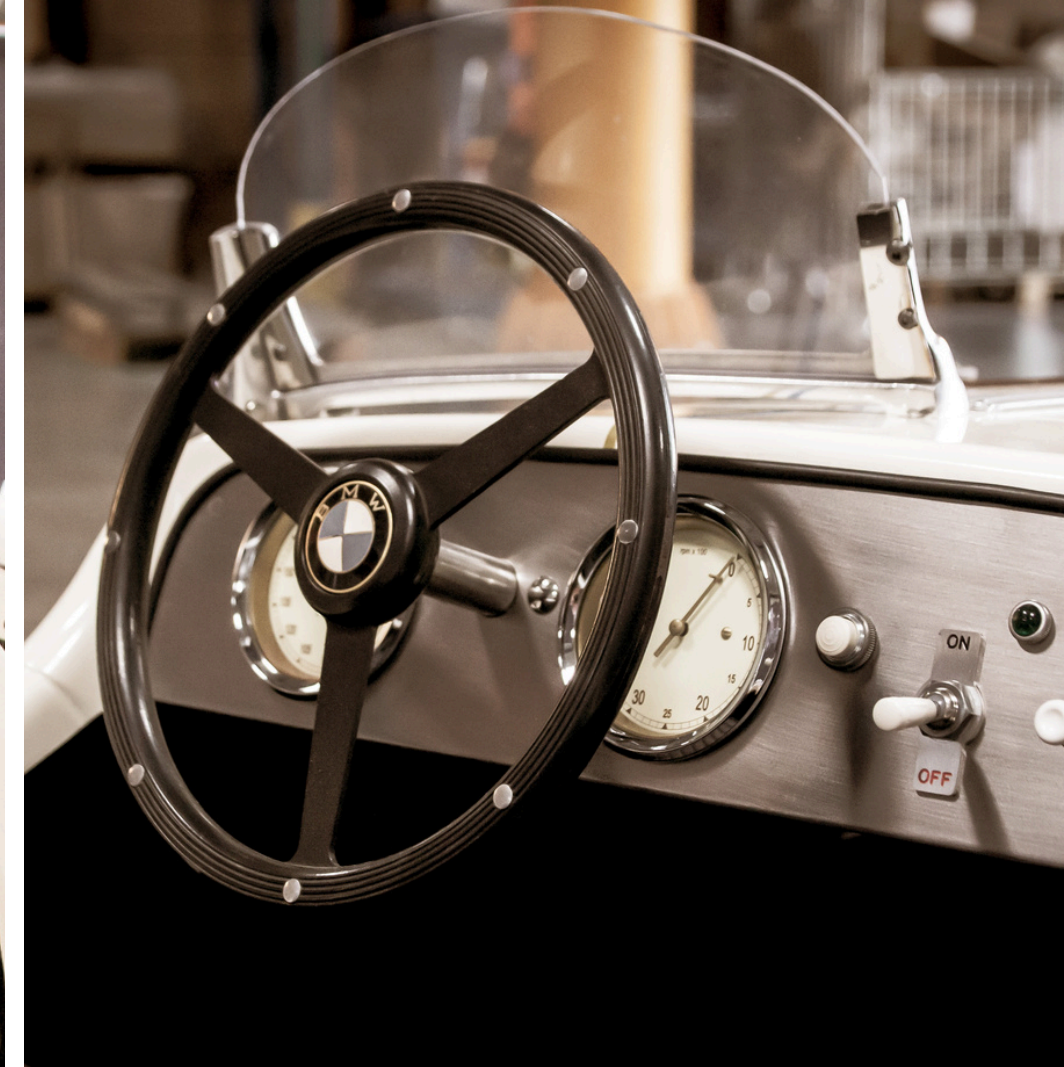

“100 ANS LE MANS” & “LEGENDS”

CUSTOMIZE YOUR BMW 328

- Tailor-made colors: body, leather interior, wheels.
- Dashboard finish: brushed or engine-turned aluminum.
- Unique accessories: helmet, racing suit.

Each model comes with a certificate of authenticity.
